Leafy Sea Dragon Series 1

Cindy Poole
The Art of Glass

'Ghostly' Leafy Sea Dragon

A blurred ghostly image of the Leafy inspired by the thought of the leafy fading out of existence...

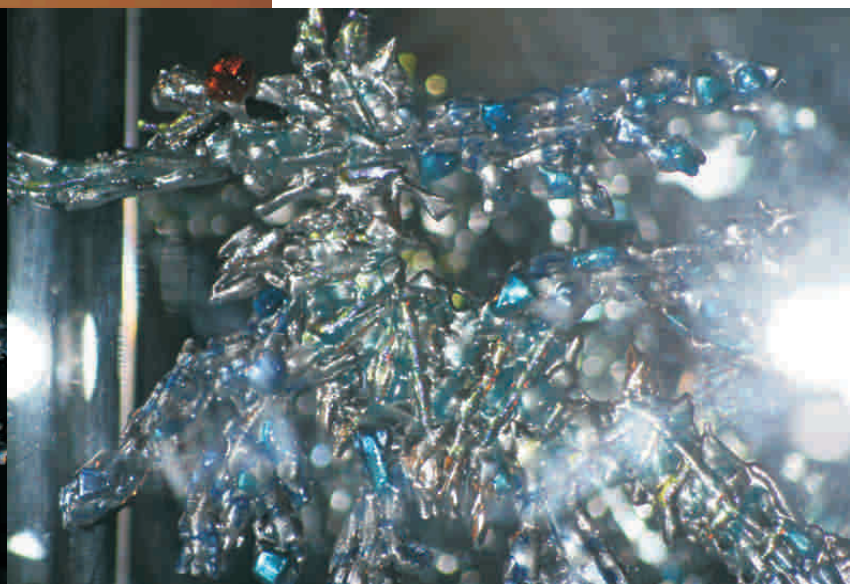

Crushed glass, frit, powders

Dimension Glass
~400mm x 280mm

Dimension Frame ~680mm

NB. Sculpture can be easily dismantled into two sections for shipping and transport.

Glass sits in frame out from the wall to allow light to be directed from behind...

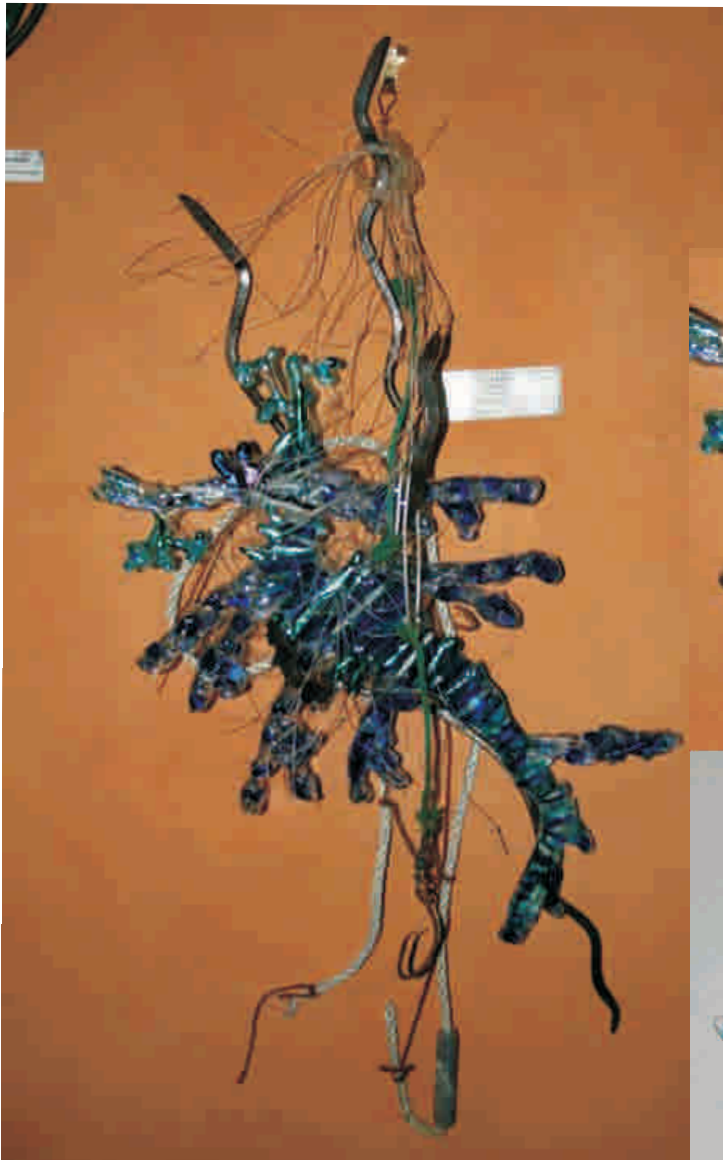

Leafy Sea Dragon - Statement

`A Leafy's Anguish`

Inspired by the thought of the effects of ocean pollution by the use of netting, fish hooks and other discarded objects...
